The Grande Bibliothèque de Montréal has now surpassed 25 million visitors.

Opened in 2005 and on a daily basis, 8,000 visitors or 46,000 visitors per week visit this superb repository of books, documents, CDs.

Approximately 4 million books or CDs are borrowed every year from the Grande Bibliothèque de Montréal.

In excess of two million books can be read on location or borrowed at said above repository.

The BAnQ subscriber's card: your passport to the Grande Bibliothèque de Montréal and at the Collection nationale du Québec. The latter within the same repository (building, separate library and collection of dossiers and books)

www.banq.qc.ca/services/pre/carte/index.html?language_id=1

The subscriber's card of Bibliothèque et Archives nationales du Québec (BAnQ) is free for all Québec residents. It allows patrons to use all services, collections and equipment offered on-site at the Grande Bibliothèque, at BAnQ Rosemont–La Petite-Patrie and at the ten (10) BAnQ Archives (Archives nationales du Québec) across the Province of Québec (see a few pages up under the heading of Repositories).

To obtain your subscriber's card, see: How can I access my Account? – A few paragraphs below.

The card provides access to numerous services relating to borrowing materials, and to other on-site and online services.

The front of the card is in colour and the back is in black and white. There is a number on each side that is useful for various services.

The client number on the front of the card can be used online:

The number for borrowing materials on the back of the card can be used at the Grande Bibliothèque:

- to check out materials at the ground floor service desk or at self-checkout stations
- to renew materials at the ground floor service desk, at self-checkout stations or by phone
- to place holds on materials by phone
